PETITION TO WITHDRAW HOLDING OF ABANDONMENT

PAGE 1 OF 5

I. **PETITION TO WITHDRAW NOTICE OF ABANDONMENT UNDER 37 C.F.R. 1.181**

The Applicants respectfully request the present Petition to Withdraw Holding of Abandonment under 37 C.F.R. § 1.181 be granted, and therefore that the Notice of Abandonment in the present Application be withdrawn. The Manual of Patent Examining Procedure (M.P.E.P.) provides that if an application is improperly abandoned, the holding of abandonment may be withdrawn upon petition:

Where an applicant contends that the application is not in fact abandoned . . . , a petition under 37 CFR 1.181(a) requesting withdrawal of the holding of abandonment is the appropriate cause of action, and such petition does not require a fee.

M.P.E.P. § 711.03(c). Based upon the following evidence, the Applicants respectfully submit that the present Application was improperly abandoned.

A non-final Office Action was allegedly mailed on this Application on September 18, 2002. However, the Applicants respectfully submit that the Non-Final Office Action of September 18, 2002, was never received by the Applicants at the Correspondence Address designated in the Application. Consequently, the Application became abandoned on March 18, 2003, six months after the mailing date of the Non-Final Office Action. A Notice of Abandonment for Failure to Respond to Office Action was mailed April 9, 2003. Although this Petition under 37 C.F.R. 1.181 is not within the two-month period stated in 37 C.F.R. 1.181(f), the Applicants submit herewith a Terminal Disclaimer dedicating to the public a terminal part of the term of any patent granted on this Application that would extend beyond 20 years from the filing date of this Application, or the earliest application to which the present Application specifically refers under 35 U.S.C. 120, 121, or 365(c). This Terminal Disclaimer is attached hereto (EXHIBIT A). In addition, a fee for this Petition is not believed to be due. M.P.E.P. 711.03(c)I.

PAGE 2 OF 5

In support of the above assertion, a Declaration of Jeanette Olivera, an assistant in the San Diego office of Baker & McKenzie, which was the designated Correspondence Address for the present Application on or before September 18, 2002, is attached (EXHIBIT B). Ms. Olivera states that the San Diego office never received the Office Action dated September 18, 2002. (Olivera Decl. ¶3). A Declaration of Anna Tsang, an attorney in the Taipei, Taiwan office of Baker & McKenzie and the attorney-in-charge of the present Application on September 18, 2002, is also attached (EXHIBIT C) wherein Ms. Tsang states that she also did not receive the Office Action dated September 18, 2002. (Tsang Decl. ¶5).

Furthermore, a Declaration of Cathy Wang, a Patent Administrator in the Taipei office of Baker & McKenzie, is attached (EXHIBIT E), wherein Ms. Wang states that in the normal course of her work she receives correspondence from the San Diego office on certain patent related matters on which the San Diego office is the designated Correspondence Address, including matters that are being handled by the Taipei office, such as the present Application. (Wang Decl. ¶4). In addition, Ms. Wang states that she is presently the person in the Taipei office in charge of docketing matters for the present Application, and has been since at least September 18, 2002. (Wang Decl. ¶5). Ms. Wang further states that to the best of her knowledge, the Taipei office also did not receive the Office Action dated September 18, 2002, before March 18, 2003, if at all. (Wang Decl. ¶6).

The M.P.E.P. further states that:

The showing required to establish the nonreceipt of an Office communication must include a statement from the practitioner stating that the Office communication was not received by the practitioner and attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of the docket record where the nonreceived Office communication would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement. For example, if a three month period for reply was set in the nonreceived Office

action, a copy of the docket report showing all replies docketed for a date three months from the mail date of the nonreceived Office action must be submitted as documentary proof of nonreceipt of the Office action.

M.P.E.P. 711.03(c)II. In view of the foregoing, Ms. Tsang, the Practitioner in the present Application, states that she has searched the file jacket of the present Application for the Office Action dated September 18, 2002, and has not found it therein. (Tsang Decl. ¶6). In addition, a copy of the docket records (EXHIBIT D) where a response to the non-received Office Action would have been entered if the Office Action was received and docketed is attached to and referenced in Ms. Tsang's Declaration (Tsang Decl. ¶6). Specifically, the attached docket records illustrate all of the matters docketed for action on December 18, 2002, the end of the three month shortened period for response to the Office Action mailed September 18, 2002, and illustrates the absence of a docketed response deadline to this Office Action on that date. In addition, the attached docket records illustrate all of the matters docketed for action on March 18, 2003, the end of the six month period for response to the Office Action mailed September 18, 2002, and illustrates the absence of a docketed response deadline to this Office Action on that date.

In addition, the Declaration of Brian C. McCormack, a registered patent attorney (Reg. No. 36,601) in the Dallas office of Baker & McKenzie, is also attached (EXHIBIT F). The Declarations of Anna Tsang and Brian McCormack set forth numerous facts establishing that the Applicants have diligently pursued the preparation and filing of the present Petition to Withdrawn Holding of Abandonment in order to the revive of the present Application. Accordingly, Applicants respectfully request the holding of abandonment be withdrawn in the present Application based on the failure to receive the Office Action dated September 18, 2002.

II. CONCLUSION

In view of the foregoing, the Applicants respectfully request the present Application be revived in response to the present Petition to Withdraw Holding of Abandonment under 37 C.F.R. § 1.181. Although no fees are believed to be due with the present Petition, authorization is hereby given to charge any necessary fees that may be required to Deposit Account No. 13-0480, referencing Attorney Docket No. 141181.200200. The Applicants respectfully request the undersigned Attorney of Record be contacted with regard to any questions or concerns regarding the present Petition.

Respectfully submitted,
